NOTICE OF FCC HEARING

Pursuant to § 73.3694 of the rules of the Federal Communications Commission (FCC), notice is hereby given by Community Educational Assoc. (CEA) that its application for authority to construct a new non-commercial educational FM Station to operate on Channel 212A in Holly Hill, FL and the mutually exclusive application of Cornerstone Community Radio, Inc. for a new non-commercial educational FM Station to operate on Channel 212A in Flagler Beach, FL have been designated for hearing by the FCC. The hearing is scheduled to commence on December 15, 1994 before Administrative Law Judge Joseph Chachkin, 3000 L Street, N.W., Washington, D.C. on the following issues: 1. To determine whether CEA is a qualified educational organization proposing an acceptable educational format in compliance with 47 C.F.R. § 73.503(a) of the Commission's Rules. 2. To determine whether there is a reasonable possibility that the tower height and location proposed by CEA in this proceeding would constitute a hazard to air navigation. 3. To determine (a) the number of other reserved channel noncommercial educational FM services available in the proposed service area and population served thereby; (b) whether a share-time agreement between the applicants would result in the most effective use of the channel, and thus better serve the public interest, and, if so, the terms and conditions thereof; and (c) in light of 47 U.S.C. § 307(b), which of the proposals would better provide a fair, efficient and equitable distribution of radio service. 4. To determine, in the event it is concluded that a choice between the applicants should not be based solely on considerations relating to 47 U.S.C. § 307(b), the extent to which each of the proposed operations will be integrated into the overall objectives of the respective applicants; and whether other factors in the record demonstrate that one applicant will provide a superior FM educational broadcast service. 5. To determine, in light of the evidence adduced pursuant to the foregoing issues, which of the applications should be granted, if any. A copy of CEA's application and related materials is available for public inspection during normal business hours at the Holly Hill Library, 1086 Ridgewood, Holly Hill, FL. Legal L16112. Aug. 30, Sept. 2, 6, 9, 1994, 4t.
